Subject: NGO Comments on Decision Tree Document

As you requested on our call on Thursday, we attach hereto a draft set of comments and reactions to your June 26th draft Decision Tree document. Due to other deadlines and vacations and the short turnaround time, we have not been able to run this by all the groups in our caucus or even all of the folks in our own groups with an interest in this issue. However, our 3 groups (NRDC, Bay Institute and Defenders) send you these composite preliminary comments so you have some initial feedback from us on this first document about the new BDCP Framework prior to our Tuesday meeting in SF. Needless to say, there may be additional revisions or additions to these comments in the days ahead, but we hope these are a helpful start.

Thank you for considering this input.

Hal
